WHY I DON'T FOLLOW CHRISTIAN IDEOLOGIES

Right off the bat, I do not consider them to originate from Jesus himself. There is nothing I find in the Old Testament that was generated by Jesus nor is their any reason to believe the figures in the Old Testament stories were engaged in the worship of Jesus or Our Heavenly Father. Instead, the stories are about the Jews and Hebrew tribes that worshipped the ELOHIM gods. You learn this when you study the original or extended Jewish texts like Paul and Mauro and MANY OTHERS have done.

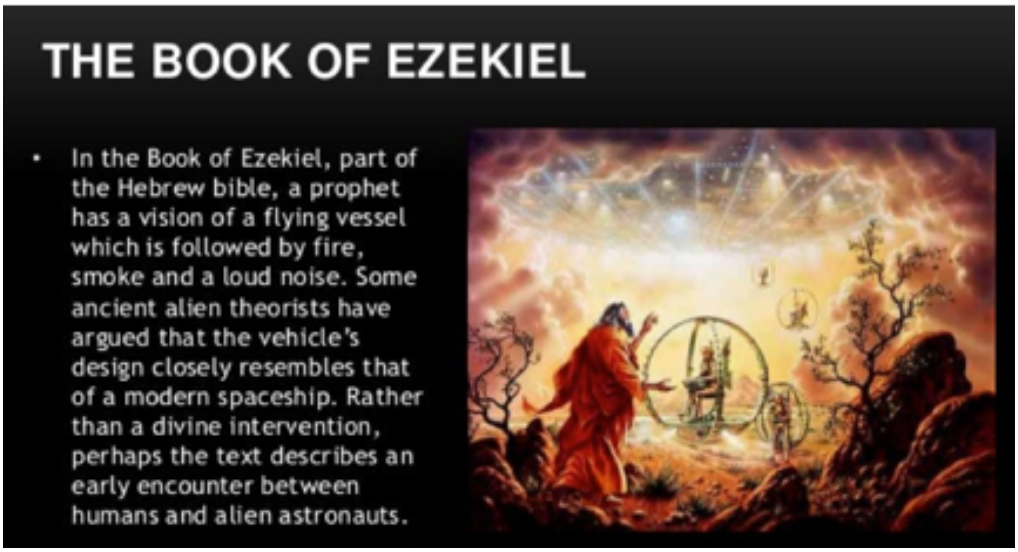
If people DID THEIR HOMEWORK with respect to all of these original stories found in the Bible and in other ancient Jewish

texts, they would learn that the gods being worshipped back then "flit and Flew" in the air in their "Chariots of Fire," "Whirling Wheels" and vehicles they were afraid of. They were referred to as Kavod's, as the Glory, and the Seba Hassamayim etc.



THE BOOK OF EZEKIEL
In the Book of Ezekiel, part of the Hebrew bible, a prophet has a vision of a flying vessel which is followed by fire, smoke and a loud noise. Some ancient alien theorists have argued that the vehicle's design closely resembles that of a modern spaceship. Rather than a divine intervention, perhaps the text describes an early encounter between humans and alien astronauts.

THESE GODS WERE ALIENS WHO TAUGHT THE "OLD WINE" JESUS LATER CAME TO TEACH THE "NEW WINE" YET CHRISTIANS CONTINUE TO PRACTICE AND TEACH THE "OLD WINE"

And as they still went on and talked,

Elijah went up by a whirlwind into heaven.

They were solid vehicles with firing rockets that made a racket when they took off and were so dangerous to stand by Moses had to hide behind a rock to be safe by his alien god Yahweh Ildaboath the Demiurge YHWH. It does not take a rocket scientist to understand that these vehicles were UFO'S. Not only that but Moses was a FICTICIOUS CHARACTER etc.

The Old Testament is full of historical misinformation, disinformation and lies that do not correlate with REAL history.

When you study where those OT stories came from you find that they go back to Ancient Mesopotamia, Babylon, ancient Sumer etc., and are also pre-flood ideologies.

I have no intention if promoting the worship of aliens or fictitious Jewish stories that came from the location where Communism had it's origins which was Mesopotamia Babylon in the Middle East or the Far East.

Then we have the heavily doctored New Testament where the story of Jesus was actually a compilation of at least two different figures that existed back then that were blended together as if they were Jesus. Yes the Jews blended the story of Jesus with the story of the Talmud Immanuel, Jmmanuel, Emmanuel their prophesied messiah who was the human being born in Bethlehem who died on the cross.

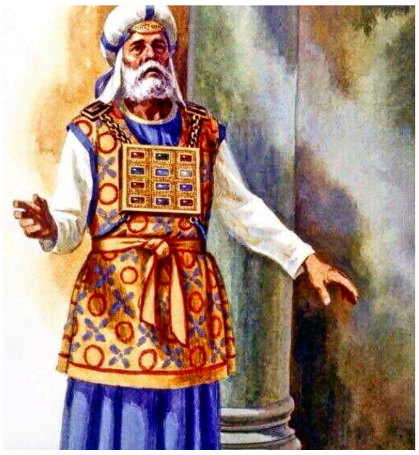
I am not a CLUELESS GULLIBLE person. I am a sort of investigative journalist archetype who like Sherlock Holmes checks out suspicious clues and DOES HER HOMEWORK.

ARE CHRISTIANS BRAIN DEAD - WHAT DRUGS ARE THEY PUTTING ARE IN THOSE GUMBALLS THEY CHEW ON?

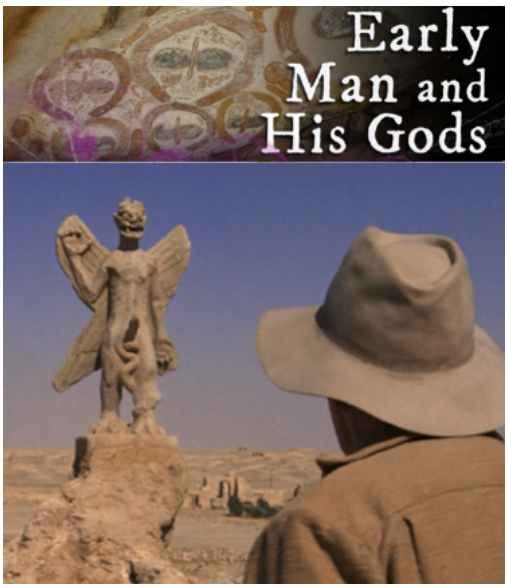
Those of us who DO OUR HOMEWORK are fed up with these gullible so called Christians, who read the Bible as if it is the INSPIRED WORD OF gOD and bow their heads to alien gods thinking that they are worshipping Jesus and Our Heavenly Father. I swear that people like this purchase their brains from gumball machines. They do not ask the right questions or think about what is written in these Roman and Christian Bibles instead they sit and chew on Bible texts as if they were cows chewing their

cuds. Christian beliefs are about as useless as a turtle going the wrong way on a one-way street. To be saved, they need to get off that road.

Jews used communication devices to speak with their alien gods that were referred to as the URIM AND TRUMMIN



They wore shielded garments to protect them from the radiation that came off the device. The so-called ARK was also radioactive. Stop chewing your gum Christians and think about how these items became radio active.



These gum and cud chewers are SO GULLIBLE. They "go along to get along," with beliefs they actually NEVER STUDY OR COMPARE TO REAL HISTORY AND NEVER DIG DEEP ENOUGH into these beliefs or ASK THE RIGHT QUESTIONS. They never stop and ask the hard questions like what is an Egyptian obelisk that represents the phallic symbol of the god Isis doing in St. Peters Square for starters or why did the Jewish priests in the Old Testament use COMMUNICATION DEVICES and incense TO COMMUNICATE WITH THEIR ELOHIM gODS. That's all been shoved under the rug as usual.

There are so many questions these gum chewers NEVER ASK as they put their tithes in the offering plate and turn to their hymnals. It turns my stomach. The sad thing is that I grew up a Christian;

the difference is that I DID ASK THESE QUESTIONS and what I found caused me to SPIT OUT MY GUM.

The Lamb is a symbol

No one asks why the Jews were a blood sacrificing clan. No one asks if the Jews sacrificed, lamb and goats on alter why Jesus said he came to save and protect his sheep or why the Nazarenes (his sheep) never ate meat. The Jews wanted to rule the world and to do that they have to kill the sheep (ORIGINAL SCANDINAVIAN MAN). Their is no way on earth blood sacrifice has anything to do with my Jesus yet Christians never ask the hard questions they just pop in another gumball and ignore the Jewish an Pagan symbolisms being spoken of in the Bible.

CHRISTIANS DRUEL OVER THESE JEWISH BIBLE TEXTS, WHICH CEARLY TELL US THAT THE JEWS HATE JESUS

I don't know about you but that is a clear CONFLICT OF INTEREST that these gum and cud chewers really need to address. You can't make this stuff up, Christians have been compromised.

It does not take a rocket scientist to realize that the JROCCC has deceived all of us.

The Mossad (Hebrew for "Institute") is Israel's national intelligence agency, responsible for foreign intelligence, covert operations, and counterterrorism, akin to the CIA or MI6, focusing on securing Israel and Jewish people globally through espionage, intelligence gathering, and special operations like rescuing Jews from hostile nations or neutralizing threats like nuclear proliferation. Established in 1949, it handles intelligence collection, covert actions, and counter-terrorism abroad, with its director reporting directly to the Prime Minister, and is known for missions like capturing Adolf Eichmann and disrupting Iranian nuclear programs.

THE JEWISH MOSSAD PROTECTS THE JEWS TODAY THINK ABOUT IT

While the name "Turkey" isn't in the Bible, the land (ancient Asia Minor) was crucial for biblical events, housing Hittite civilizations, key early Christian centers like Ephesus & Antioch, and hosting important

councils like Nicaea, shaping Christian history and scripture's spread; later, Turkish influence involved translating the Bible into Turkish (17th century) and discovering ancient related texts, like the controversial Gospel of Barnabas.

Why on earth would these gum chewers even want to read the Jewish and Turkish texts and stories in the Bible. Why did the Jewish and Turkish Roman Orthodox Catholic and Christian Church (JROCCC) include Jewish and Turkish texts and stories through out a Christian Bible. THINK ABOUT IT. Think about how strong Jewish and Turkish influence was in the formation of the JROCCC back then and how evil their ideologies are that have to do with the New World Order and their intent to take down America and the world is in general. Think about why America seems to be referred to in Bible Prophecy as their New or Mystery Babylon. America appears to be the land the Jews and Turkish Zionist Khazarian NWO ASHKENAZI PLAN ON USING AS THEIR NWO HEADQUARTERS. OUCH!!!!

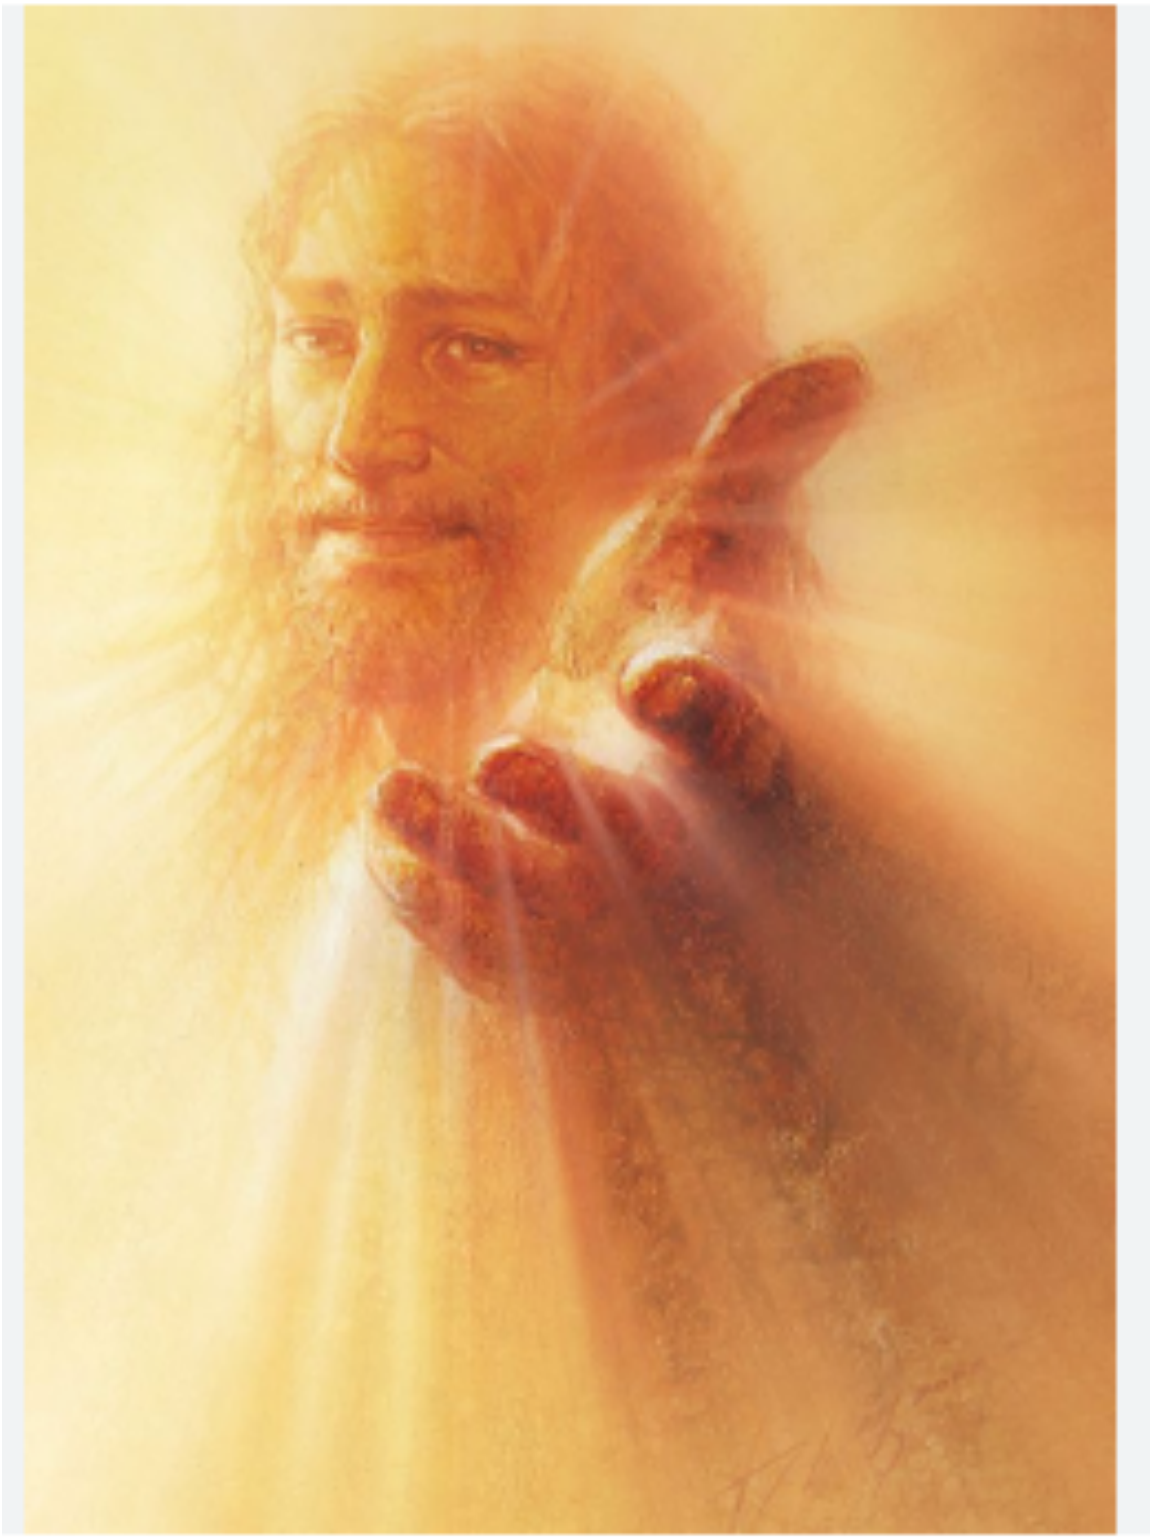
WHY WOULD THE JROCCC INCLUDE PAGANISM IN CHRISTIAN BELIEFS

Do you know that the most sacred beliefs and Christian Symbols are Pagan? Now I do not know about you but paganism has NOTHING TO DO WITH JESUS OR OUR HEAVENLY FATHER. Paganism is a form of Jewish. Turkish and Pagan SATANIC WORSHIP, etc. Think about that the next time you eat the body of Jesus and drink his blood in church.

THE BIBLE HAS BEEN TOTALLY COMPROMISED

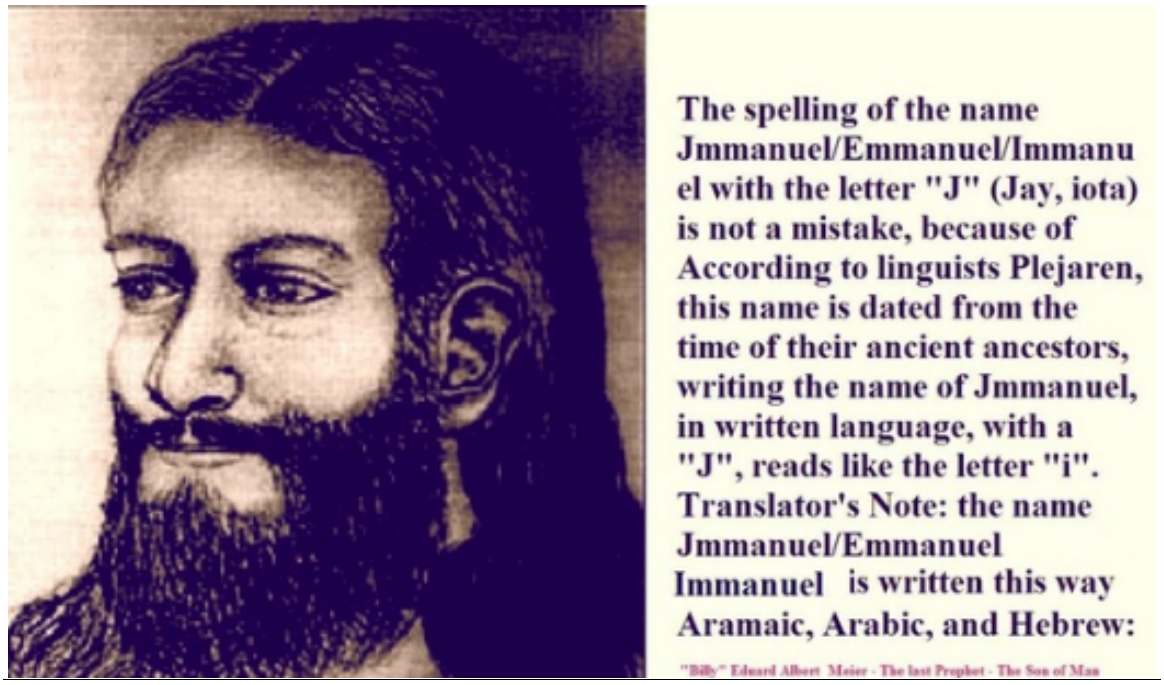
Once you began to ask these hard questions and their are SOO MANY OF THEM, you will either swallow or spit out your gum as I did. You will not continue to be a Christian blowing bubbles.

The Ankh, or "Key of Life," is an ancient Egyptian hieroglyph for **life and eternal existence**, often depicted with gods and pharaohs, but it's widely adopted in modern Paganism (especially Kemeticism, Wicca) as a symbol of **divine union, creation, and spiritual balance**, representing the merging of masculine (T-cross) and feminine (oval) principles, though not originally a Christian or specific Wiccan symbol. Modern pagans use it to connect with ancient Egyptian spirituality and represent concepts like perpetual life, unity, and the breath of the divine.



WHAT WAS THE BIGGEST SHOCK TO ME AS I STUDIED THESE STORIES

It was that Jesus was a spiritual being, not a physical being, who WAS NOT BORN IN BETHLEHEM nor did he DIE ON THE CROSS. Look at the spiritual image of Jesus above. You can't nail a cloud to a tree nor could they nail Jesus (who was a spiritual being) to their ANKH (which the cross is a symbol of). The Bible mentions how Jesus could appear and disappear at will or how he could walk into a crowd and disappear. He was seen suspended in the air by his disciples and walking on water, I can't do that can you?



The spelling of the name Jmmanuel/Emmanuel/Immanu el with the letter "J" (Jay, iota) is not a mistake, because of According to linguists Plejaren, this name is dated from the time of their ancient ancestors, writing the name of Jmmanuel, in written language, with a "J", reads like the letter "i". Translator's Note: the name Jmmanuel/Emmanuel Immanuel is written this way Aramaic, Arabic, and Hebrew:
"Billy" Eduard Albert Meier - The last Prophet - The Son of Man

These stories about the birth and death of Jesus came from the Jewish and Turkish etc., writers who seemed to have secretly slipped the identity of their Talmud Immanuel, Jmmanuel, and Emmanuel into the Bible texts to claim that **they killed Jesus when it was a Jewish prophet that was crucified instead.**

Prophecy tells us that all of these lies will be revealed to us today, which is happening as we read the story of the Talmud Immanuel.

due to Christian influence or Christian thought?" (*Life of Christ*, II, 485).

Even if we assume that Jesus and His apostles borrowed from the rabbis all the expressions that occur both in the New Testament and in the Talmud, it does not prove anything. The Gospel of Jesus remains an altogether new thing, and the spiritual life that He awakened is still diametrically opposed, in many respects, to the religious life that the Talmud fosters.

NEWARK, N. J.

What this seems to be telling us again is that the WORD or the GOSPEL OF JESUS was the "NEW WINE".

It is the NEW WINE THAT IS THE WORD OF GOD AND JESUS NOT THE "OLD WINE" which were the JEWISH TURKISH MESOPOTMIAN MIDDLE EAST beliefs and ideologies.

Unfortunatly when the JROCCC was being formed they destroyed the ORIGINAL JESUS MOVEMENT and the ORIGINAL CHRISTIAN TEXTS. What we have today are compromised texts in their Roman Bibles that have come to be referred to as the PIOUS FRAUD.

Was it really the Talmud Immnuel who Died on the Cross and Not Jesus Yashua? That Changes Everything

In the apocalyptic perspective of the New Testament, Satan becomes active on earth *in connection with the birth of the Jewish Talmud Immanuel, Jmmanuel, Emmanuel.* who was secretly slipped into the 4 Gospels and then blended into the storyline of the REAL JESUS.

I worry that many Christians will not make the cut when and if Jesus returns for his own. Many Christians today will be

considered the DEAD IN CHRIST which to me represents how compromised the minds of Christians are today. Jesus warned us about that saying "I NEVER KNEW YOU."

In **Matthew 7:23**, Jesus says, "Then I will tell them plainly, 'I never knew you; depart from Me, you workers of lawlessness!'".

2 This statement occurs within the context of Jesus' Sermon on the Mount, where He warns that not everyone who calls Him "Lord" will enter the kingdom of heaven, but only those who do the will of His Father in heaven.

3 The individuals addressed had claimed to have prophesied, cast out demons, and performed miracles in His name, yet Jesus declares He never knew them.

4 The term "knew" here signifies an intimate, personal relationship, not merely intellectual awareness, reflecting covenantal language where knowing God involves a deep, relational connection.

Jesus emphasizes that genuine faith is demonstrated by a life aligned with His will, not by outward religious acts or spiritual powers.

Those who are rejected had not truly abided in Him, and their works were not rooted in faith but in self-reliance or hypocrisy.

This underscores that salvation is not earned by works, but is evidenced by a heart devoted to Christ, producing the fruit of the Spirit rather than the works of the flesh.310 The warning is serious, as Jesus will ultimately judge based on the condition of the heart, not just the performance of religious deeds.
